

Harden Parish Council

Information Scheme

(supplement to the model publication scheme)

Harden Parish Council has adopted the model publication scheme produced by the Information Commissioner's Office.

This document gives examples of the kinds of information that Harden Parish Council (the Parish Council) may provide in order to meet its commitments under the model scheme.

The Parish Council will make the information in this definition document available unless: -

- it does not hold the information;
- the information is exempt under one of the FOIA exemptions or Environmental Information Regulations exceptions, or its release is prohibited by another statute;
- the information is readily and publicly available from an external website; such information may have been provided by the public authority or on its behalf. The authority must provide a direct link to that information;
- the information is archived, out of date or otherwise inaccessible; or,
- it would be impractical or resource-intensive to prepare the material for routine release.

The Parish Council has a legal commitment to the model publication scheme, and as a public authority the Parish Council is committed to providing as much information as possible on a routine basis.
