

HARDEN

NEIGHBOURHOOD PLAN

September 2019

What will Harden look like in 10 years time?

*We really want to know
what you think*

*Why not join the team
and make a difference?*

Neighbourhood Plan consultation drop in event
Harden Memorial Hall Saturday 28th September
10 am to 12 pm
Refreshments provided

HARDEN NEIGHBOURHOOD PLAN

DRAFT FOR INITIAL
CONSULTATION
SEPTEMBER 2019

Our Neighbourhood Plan Team made up of local residents and parish councillors has been working for a year on a draft and it is time now to consult you about what we have done.

We want to know whether we have the right ideas and whether we have missed things which you think are important.

Exactly a year ago, we held an initial consultation based on the outcome of a survey which identified broad themes and we have been working on these supported by an independent town planning consultant from Integreat Plus.

You can see progress so far on the other side of this newsletter.

What is a Neighbourhood Plan?

A Neighbourhood Plan is a document written by the community to shape the way the local area is developed.

Neighbourhood Plans allow communities to have more influence and control over their local area to ensure they get the right type of development for their neighbourhood.

How to make your views heard

Drop in at the Memorial Hall
on Sept 28th

Look at the Draft Plan on the website
