

Harden Village Council

Risk Management Policy & Assessment

Harden Village Council is committed to identifying and managing risks to ensure that risks are maintained at an acceptable level. Any action that is felt necessary will be taken by the Village Council. The Clerk will review risks on a regular basis, including any newly identified risks, and will report back to the Council.

Risk assessment is a systematic general examination of the activities of the Village Council to enable potential risks to be identified. This document has been produced to enable the Council to assess the risks inherent to its activities and satisfy itself that it has taken all reasonable steps to minimise them.
