

OUNCILLOR VACANCY

Harden Parish Council

A vacancy for a Parish Councillor has arisen on the Council. The Council is looking to find an interested and enthusiastic applicant to fill the vacant position.

This is a great opportunity to get involved in the affairs of the local community with such matters as neighbourhood planning, promoting local schemes and being involved with local activities and concerns.

Note that Harden Parish Council has been apolitical. Party politics have generally not played a part in decisions made by the Parish Council.

Any person wishing to serve as a Councillor should contact the Clerk to find out more about the role.

Be a voice for your community in Harden.

What's Involved?

Harden Parish Council meets on a monthly basis, usually on the second Thursday of the month. Meetings are held in public and start at 7.15pm in the Memorial Hall.

Training is available for new Councillors. Previous local government experience is not required.

Who Can Apply?

To qualify, a person must be a British subject or a citizen of the Irish Republic, over 18 years of age and an elector, must reside within the parish of Harden, or within 3 miles of it, or occupy as owner or tenant any land or premises therein, or have their principal or only place of work there, and must not be disqualified from holding office as a Councillor (more details from the Clerk).

Other Councillors

The Council is made up of 7 volunteer Parish Councillors who are committed to working for a better Harden, with the assistance of our Clerk.

Gerwyn Bryan (left) is our Chair. Details of all Parish Councillors can be found on our website at www.hardenparishcouncil.gov.uk

The Council is a formal body, the first tier of local government. Although operating within a strict statutory framework, the Council is very welcoming and working hard on engaging widely with the local community.

Recent projects have included adopting the telephone kiosk, installing a Community Public Access Defibrillator, renovating the War Memorial and commissioning new planting designs in the village centre. We have just appointed consultants to assist with development of a Neighbourhood Plan for Harden.
