

COUNCILLOR VACANCY

Harden Village Council

A vacancy for a Village Councillor has arisen on the Council. The Council is looking to co-opt an applicant to the vacant position.

Any person wishing to serve as a Councillor should contact the Clerk to find out more about the role.

This is a great opportunity to get involved in the affairs of the local community with such matters as neighbourhood planning, climate emergency plan, promoting local schemes and being involved with local activities and concerns.

Expressions of interest are invited - please contact Ken Eastwood, our Clerk, for an informal discussion. Be a voice for your community in Harden.

We particularly welcome applications from young people and ethnic minority candidates as they are currently under-represented on the Council.

What's Involved?

Harden Village Council meets on a monthly basis, usually on the first or second Thursday of the month. Meetings are held in public and start at 7.15pm, currently online using Zoom.

Training is available for new Councillors. Previous local government experience is not required.

Who Can Apply?

To qualify, a person must be a British subject or citizen of the Irish Republic, over 18 years of age and an elector, must reside within the parish of Harden, or within 3 miles of it, or occupy as owner or tenant any land or premises therein, or have their principal or only place of work there, and must not be disqualified from holding office as a Councillor (more details from the Clerk).

Other Councillors

The Council is made up of 7 Councillors who are committed to working for a better Harden, with the assistance of our Clerk.

Gerwyn Bryan (left) is our Chair. Details of all Village Councillors can be found on our website at www.hardenvillagecouncil.gov.uk

The Council is a formal body, the first tier of local government. Although operating within a statutory framework, the Council is very welcoming and working to engage widely with the local community.

Recent projects have included commissioning a report on Traffic & Transport and engaging with neighbouring Councils on related issues including speeding. Working with consultants and Project Team members, we are also developing a Neighbourhood Plan for Harden.
