INTRODUCTION

Welcome to the Bradford Pride Festival 2022!

Throughout the month of June a series of events made for, with and by the LGBTQ+ community of the Bradford district by an array of organisers will take place, all made in association with Bradford Pride.

Some events are open to everyone, some of for specific parts of the community.

Most of the events are in-person, while a few are being broadcast.

Many of the events are free, but there are also those with a ticket cost.

This guide to the festival is also available on-line. Check out

www.equitypartnership.org.uk/bradford-pride

for the online version and for any updates to the festival line-up.

And then join us on 9 July for Bradford Pride's Parade through the city centre and the Main Event on Centenary Square and City Park!
